\$10.50 per year for 12 issues (38% off regular subscription price)

Brookings Institution

20% off any full-price book.

World Policy Journal

20% off annual subscription.

PRISM

Since 2014, WACA has made PRISM—the National Defense University's premier quarterly journal published by the Center for Complex Operations— available to Councils and their members. PRISM subscriptions are complementary to government employees, current and retired military members, civilians, and those affiliated with academic or global institutions. Editions are made available online each quarter.
